Sign up with a family/friend and enjoy special discounts!

Certified Strength and Conditioning Specialists (CSCSs) are professionals who apply scientific knowledge to train athletes for the primary goal of improving athletic performance. They conduct sport-specific testing sessions, design and implement safe and effective strength training and conditioning programs and provide guidance regarding nutrition and injury prevention. Recognizing that their area of expertise is separate and distinct, CSCSs consult with and refer athletes to other professionals when appropriate.

Course Schedule

Due to new measures announced for COVID-19 and Phase 3 in Singapore, theory components that was originally meant to be delivered face to face will now be delivered via Zoom. Practical components from each week will be compiled over 2 sessions and delivered face to face to minimise the requirement to head to ISA Campus for all sessions (as per previous format). For this intake, students are only required to head to ISA Campus in small groups (in adherence to the current measures) for the 2 practical sessions.
