**ISA Certified Personal Trainer Course
(leading to American Council on Exercise Certification)
(GUIDED LIVE EDITION)**

What is the ISA Professional Certification Series?

A series of programmes designed to provide participants with the necessary skills and knowledge to excel in the sports and fitness industry. Programmes leading to professional certifications include our highly popular Certified Personal Trainer Course leading to the internationally-recognized American Council on Exercise, our Strength and Conditioning Specialist Course leading to the gold standard National Strength and Conditioning Association Certification, as well as the ASCA swim coaching courses certified by the American Swimming Coaches Association.

Who Should Attend?

Just a handful of our professional certification courses require some prior knowledge of sports and fitness, otherwise our courses are by and large suitable for all learners who want to get a head start in the sports and fitness industry.

The ISA Advantage

ISA has been a trusted name in sports and fitness training and education in Singapore since 2003. We seek to be the thought leader by bringing together local and international experts with diverse expertise from across the industry, to seek collaborative solutions to Singapore’s and the region’s problems relating to health, fitness and sports.

In pursuit of our mission, we offer a full range of professional certifications, and short continuing education courses, each tailored to suit your varied needs and objectives.

- Appointed Education Partner and Approved Provider in Singapore by the American Council on Exercise (ACE).
- Endorsed by industry leaders such as Virgin Active, True Fitness, the Pure Group, WAKO Singapore, Singapore Federation of Bodybuilding and Fitness, Superfit, Sports Lifestyle Initiatives, Club Managers’ Association (Singapore) and Sports Lab among others
- Provides early industry exposure and job placement assistance through extensive industry network.
- Offers continuing education courses for increasing your skillsets.
