

## ISA Certified Strength and Conditioning Specialist Course (Leading to National Strength and Conditioning Association Certification)

Sign up with a family/friend and enjoy special discounts!

**Certified Strength and Conditioning Specialists (CSCSs) are professionals who apply scientific knowledge to train athletes for the primary goal of improving athletic performance. They conduct sport-specific testing sessions, design and implement safe and effective strength training and conditioning programs and provide guidance regarding nutrition and injury prevention. Recognizing that their area of expertise is separate and distinct, CSCSs consult with and refer athletes to other professionals when appropriate.**

<b>Course Duration</b>	35 hours over 3 weekends (Sat & Sun)
<b>Course Dates (Next Intake)</b>	19, 20, 26, 27 Nov & 4 Dec 2022

# ISA Certified Strength and Conditioning Specialist Course (Leading to National Strength and Conditioning Association Certification)

## Course Objectives

Upon successful completion of the course, participants will understand:

- Structure and Function of the Muscular, Neuromuscular, Cardiovascular and Respiratory System
- Bioenergetics of Exercise and Training
- Endocrine Responses to Resistance Exercise
- Biomechanics of Resistance Exercise
- Adaptations to Anaerobic and Aerobic Training Programs
- Age and Sex Related Differences and Their Implications for Resistance Exercise
- Psychology of Athletic Preparation and Performance
- Performance Enhancing Substances
- Nutritional Factors in Health and Performance
- Principles of Test Selection and Administration
- Administration, Scoring, and Interpretation of Selected Tests
- Warm-Up, Stretching, Resistance Training and Spotting Techniques
- Plyometric Training, Speed, Agility and Speed-Endurance Development
- Periodization, Rehabilitation and Reconditioning
- Facility Organization, Risk Management, Policy Development and Procedures Manual

## Course Syllabus

Please refer to pages 3-4 for detailed course syllabus and class schedule.

## Award

Upon completion of the course, each participant will be awarded

1. **ISA Certificate of Completion for ISA Certified Strength and Conditioning Specialist Course**
2. **NSCA Certificate for Certified Strength and Conditioning Specialist (awarded upon passing the NSCA CSCS Certification Examination)**

## Venue

### International Sports Academy

1 Stadium Place, Kallang Wave Mall, #01-11  
Singapore 397628  
(opposite beach volleyball courts)

# ISA Certified Strength and Conditioning Specialist Course (Leading to National Strength and Conditioning Association Certification)

## Detailed Content Outline

SCIENTIFIC FOUNDATIONS (1.5 hours)	
1. Exercise Science	44 questions
2. Sport Psychology	19 questions
3. Nutrition	17 questions
4. Non-scored Questions	15 questions
<b>Total for Scientific Foundations</b>	<b>95 questions</b>
PRACTICAL / APPLIED (2.5 hours)	
1. Exercise Techniques	44 questions
2. Program Design	19 questions
3. Organisation and Administration	17 questions
4. Testing, Ongoing Monitoring and Data Evaluation	20 questions
5. Non-scored Questions	15 questions
<b>Total for Practical / Applied</b>	<b>125 questions</b>

## Course Schedule

Due to new measures announced for COVID-19 in Singapore, theory components that was originally meant to be delivered face to face will now be delivered via Zoom. Practical components from each week will be compiled over 2 sessions and delivered face to face to minimise the requirement to head to ISA Campus for all sessions (as per previous format). For this intake, students are only required to head to ISA Campus in small groups (in adherence to the current measures) for the 2 practical sessions.

Day	Topics	Schedule
1 (Theory)	Introduction & Preparation Strategies  <b>SCIENTIFIC FOUNDATIONS</b> <ul style="list-style-type: none"> <li>• <b>Exercise Science</b> <ul style="list-style-type: none"> <li>○ Anatomy &amp; Physiology</li> <li>○ Bioenergetics &amp; Metabolism</li> <li>○ Neuroendocrine Physiology</li> <li>○ Adaptations to Anaerobic Training Programs</li> </ul> </li> </ul>	<u>Delivered via Zoom</u> Date: 19 Nov 2022 (Sat) Time: 9.30am – 5.30pm (7hr + 1hr lunch break)
