

ISA Nutrition for Performance Course

Sign up with a family/friend
and enjoy special discounts!

This course is suitable for active athletes, coaches and trainers of all levels who wishes to gain knowledge on how to use nutrition as a tool for performance. The requirements of an athlete differ from the general public and we'll look into the requirements of the different categories of athletes and purpose. Fad diets are common these days but do you know the science behind it? Let us debunk that with you during this course.
