

## ISA Advanced Kettlebell Course

(Powered by BlackJacqStrength)

This course is for intermediate fitness enthusiast and current fitness instructors who like to advance their knowledge on kettlebell movements and the skill to teach a kettlebell group class. This is also for fitness professionals who like to learn more about designing kettlebell workouts, teaching skills such as cueing communication to conduct kettlebell workout sessions.

This course also covers in more detailed the importance of proper alignment, posture, good form and technique of kettlebell movements, progressions & regressions in conducting group classes, correction techniques and cues to promote the safe handling and training with the kettlebell. 80% of the class will be spent on practical practice.
